

SEYMOUR PINK
A COMMUNITY'S FIGHT AGAINST BREAST CANCER®

Our mission is to unite a community in the fight against breast cancer. Through fundraising efforts, our goal is to fund breast cancer research, provide education and to empower and assist breast cancer victims and their families.

About Seymour Pink

We are an all volunteer organization, incorporated as a 501(c)(3) nonprofit in 2010, serving patients in our service territory in Connecticut with breast cancer. To date, through our fundraising efforts, we have raised over \$4 MILLION in the FIGHT against breast cancer. We have made substantial donations to local hospitals, such as The Hewitt Center for Breast Wellness at Griffin Hospital and The Center for Breast Cancer at Smilow Cancer Hospital. We have fought alongside individuals personally fighting the cancer battle by helping to defray some of the financial burden and providing much needed emotional support. Through the years, nearly 1,000 comfort baskets have been delivered to those who have heard those life altering words, "You have breast cancer." Each year, we award several scholarships to college-bound students in the community whose lives have been impacted by breast cancer. Learn more on our website.

Testimonials

Thank you so much for the generous holiday gift card. I can honestly say that the holidays would not have felt as manageable without it - what an incredible gift and surprise. Thank you for being that light for so many people. Many thanks and much love,

I just received your very special check for my rent payment. I can't thank you enough. It was very special, kind and generous of you and very much appreciated. Next month is my birthday and I will be 73 years young. To me this is a birthday gift from you. I'm sure I'm talking for all of us cancer patients when I say that Seymour Pink is always there to help us in our hour of need. Thank God there are also very kind and special people in our world who donate to all the cancer organizations out there, so they can help all of us when we need some help financially. God Bless All Of You At Seymour Pink
